# COACH SPEAKER STRATEGIST

**Hi.** I'm an award-winning and international public speaker and creative strategist. I am passionate about global topics ranging from education, to gender, to technology and diversity. I have guest lectured for Stanford University, have delivered two TEDx talks, and have given speeches at UN events on girls' health and education. I was selected a 2013 Women Deliver Young Leader, which is in part funded by the Bill & Melinda Gates Foundation.

I am passionate about productive debate, while bringing key messages to global audiences.

## WHAT I DO

### COACH

I support clients in reaching their public speaking goals through a step-by-step customized approach, supported by personal development and strategic workshops.

### SPEAKER

I facilitate workshops and speak at global events on topics ranging from education, to gender, to technology and diversity.

### CREATIVE STRATEGIST

I dive into company strategy to support businesses and brands in developing their creative communications structure.
