## **I-House South**

### **Storage Fee Acknowledgment Form**

Due to the current health crisis, International House will allow South Building resident members to store their personal belongings within their current room until October 1, 2020. After this date, South Building Resident Members will be charged a fee of \$40 per month to continue storage. With the completion of this form, the resident understands that their room will stay as is until October 1, 2020 or they come to collect their belongings, whichever comes first.

The Resident Member understands that if they do not collect their belongings, by the October 1, 2020 deadline, International House will pack and move the Resident Member's belongings from the room to store elsewhere for a fee.

Please note: Items left after the October 1, 2020 deadline will only be released when the fees have been paid.
