

PEER COUNSELOR APPLICATION

To be a Peer Counselor, individuals must be licensed mental health professionals or studying in a clinical mental health discipline. Medical students will be considered on a case-by-case basis. PCs are required, without exception, to train for, and staff, weekend emergency on-call rotations 1x/month, and to cover on-call rotations during academic holidays and breaks. Peer counselors must be at International House from August through May. Questions may be addressed to Lorraine Pirro, Director of Global Health and Wellness Services at lpirro@ihouse-nyc.org or, +1 914-673-9010.

1. Please introduce yourself with your country of origin, university, major, languages you speak, and duration living at International House.
2. Please describe why you would like to serve as a peer counselor at International House, including how you might benefit, and how you might contribute.
3. Please indicate your experience with the **assessment** of mental health disorders.
4. Please indicate your experience with the **diagnosis** of mental health disorders including but not limited to use of DSM-5 or ICD system.

5. Please indicate your experience with **treating** mental health disorders including evidenced-based interventions.

6. Please indicate your experience with providing the modalities of individual, couples, group, and family counseling.

7. Please describe one case example where you demonstrated your strengths.

8. Please describe one case experience where you learned from a mistake or misstep.

9. Please list any groups you are qualified to lead (e.g., DBT skills groups, social skills groups for psychotic disorders or autism spectrum disorders, or social anxiety).

Skills Inventory

Please indicate your level of expertise in the clinical areas listed below by writing the number 1, 2, 3, or N/A next to the item. Definitions: N/A = No skill in this area.
